Hyderabad Visit

In 2016, CHI decided to support The Future School and Ekalavya School, Nandanavanam, run by Kasturi Trust. The Executive Director, CH, visited both these schools with the view to upraise on the progress of these schools. The schools succeeded in scoring 100% pass and 88% first class in the grade 10th board exams conducted in 2017.

Health Camps

CH takes special care for the health of the community it's associated with and holds various camps to provide health care and spread awareness.

Winter Distribution

Children's Hope makes a small effort in spreading warmth by distributing woolens with the onset of winter. This year 345 children benefited from this.

Anand Parbat

After the demolition of Katputli colony, our Prayaas School has relocated to Anand Parbat. The school and the crèche are operating with the same zest and enthusiasm, along with a few old and some new enrolments.

Friends of CH

Children's Hope as a family is growing with new donors, volunteers and well-wishers. Thank you! We would not have done it without you.
