## NEW PROJECTS

In 2018, CH expanded and began supporting two more **BALWADIS** (Noorani Masjid & Durga Vihar) taking the number to three with a total of 148 preschoolers. Here, these children graduate from the Balwadi with a strong foundation for primary education in government schools. They are taught good manners & social behavior. A freshly cooked mid-day meal along with milk is provided daily to them. Other than that regular medical checkups are taken care of, for these little ones.

**ARUNIMA ACTIVE**, Kolkata - This summer, CH started a new venture and went ahead to support 'differently abled' children, with the help of Arunima Active, a Centre for Training, Integration & Vocational Education. This project works towards achieving various goals, like, 'inclusion', 'mainstreaming', 'socialization', 'behaviour modification' etc.

In another project with **LAL SAEEN VIDYA MANDIR**, Bhopal CH supports 15 children and provides them with education, uniforms, books and stationary.

CH also is working towards running a vocational program in **KNITTING** with the help of our Advisory Board member Mrs. Indra Dhar. Here, girls and women would learn the skill which will enable them to make some extra money on the side and support their families.

**Health Camps, 2018** Not only in the schools that CH supports but also otherwise in the community, CH works towards aiding the locals and holds regular eye, dental, adolescent awareness, Immunization camps etc. Here the patient is not only detected with any illness but also is referred to the hospital where with our help either free or at a very minimal cost the treatment is provided. In a recent case, 8 referred patients' are referred to for cataract operations and there treatment is ongoing.

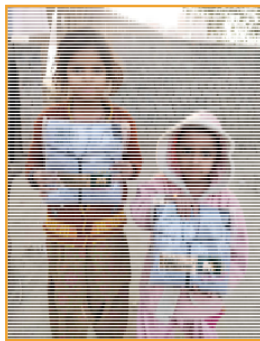

**Friends of CH** Children's Hope as a family is growing with new donors, volunteers and well-wishers.

Thank you! We would not have done it without you. Volunteers who come back and have a lot to say: Tyler

Melwani, a 16 year old boy's third visit to India has a lot to say, "It was a delight to be able to work with the kids and I enjoyed it very much. The children were incredibly cheerful and well-behaved and could I tell that the faculty was also very dedicated to their work. I am very happy that I was able to reunite with some of the former students who I met back in 2015 and I was glad to find out that they are now going to college or working jobs that they are passionate about..."

**Winter Distribution** Each year, the chill of Delhi take away lives. CH makes extra efforts to distribute some woollens to keep the children warm. This year CH has reached out to 400 such children and spread warmth.
