30/30 EDUCATIONAL MODEL

An ambitious plan to open 30 Educational Centers across India to provide:

- Early Childhood Education
- Tuition and Remedial Learning for school drop outs
- Cutting Edge Digital Learning
- Career Counseling, Exposure and Preparation
- Sound Health & Nutrition
- Mental Health & Well-Being

Pilot phase started in November'22 with 5 schools 2 in Delhi, 2 in Mumbai & 1 in Bhuj.

CHI collaborated with Key Education Foundation for:

- Teacher training programs
- Setting up a uniform curriculum
- Providing coordinated educational materials to all centers
- Regular monthly interaction with teachers to discuss their achievements and challenges faced...

Scholarships

CH continues to provide scholarships to desired candidates to pursue their higher studies. This year it has supported 2 such candidates.

“An investment in knowledge pays the best interest”

Hole-in-the-wall

a unique computer e-learning platform in collaboration with NIIT

We continue to provide self-paced e-learning computer platform to children living in slums. About 70 children daily are able to access & explore the internet and take benefit of various programs.

CHAHAK:

*a Preschool, Remedial & Vocational Centre,
Vikaspuri*

CHAHAK, now a part of the 30/30 initiative has taken a leap in providing quality education.

During this year, it has provided early childhood education to about 85 children and non-formal / remedial education to about 55 children.

Winter Distribution

In our annual winter distribution program, in 2022 about 150 children and their families in Delhi and 100 in Jodhpur were given warm clothes and blankets.

Mental Health

Project implemented by UJAS

Due to inherent disadvantages, the children and their families living in slums are prone to mental health issues. With the help of experts, CH extends counselling and guidance to various groups and communities. The critical patients and families requiring special attention are screened out for one-to-one sessions and are given medical assistance.

In 2022, we have reached out to hundreds of children & adults in Jodhpur community. 13 critically challenged families found to be requiring extra help were provided medical treatment and now are under regular care.

Summer Camp

Project implemented Auronima Active, Kolkata

As every year, CH organized summer camp for differently abled children to help them achieve various goals - inclusion, mainstreaming, socialization and behavior modification...

Health & Awareness

To provide the best possible holistic care, CH lays emphasis on organizing health camps and spread awareness about health & hygiene. Those requiring serious treatments are referred and arranged for, in appropriate dispensaries and hospitals.

Successful Fundraiser 5 Nov 2022 at 1AQ Delhi

After a gap of 2 years, CH arranged a melodious musical evening with legendary Ghazal Queen Dr. Radhika Chopra in a well-organized function accompanied with sumptuous snacks & food.

With an attendance more than expected, Mrs. Indra Dhar, Managing Trustee presented our annual achievements.

We thank our sponsors & supporters for their benevolent donations and the entire CH team for its hard work. The excellent performance of our students on stage guided by our teachers was well appreciated.

The success of the event was summed up Radhika ji's kind words:

हमारे गीत और गज़लें तो सिर्फ
भावनाओं को परवाज़ देती हैं, लेकिन,
इन नेक कार्यों को दिशा और दशा
आप की संस्था बखूबी अंजाम देती है।
