

Children's Hope

EVERY CHILD COUNTS

"Education is not luxury... It is a basic human right"

Achievements during 2024

- Partnership with TEA to run the primary section of three MCD schools
- Teacher training for all grades
- Self-care sessions for teachers
- Online coaching to students by educational specialists
- Workshop for children with special needs at Kolkata
- Scholarships given to 11 children
- Winter clothes distribution
- Medical camps organized at CHAHAK Bindapur & CHAHAK Vikaspuri

OPENED APRIL 2019

CHAHAK VIKASPURI

Premises courtesy Bhartiya Shiksha Smiti, Supported by CHI

In its 6th year, CHAHAK Vikaspuri provided early child care education and about 90 students and tuition coaching to about 80 students.

OPENED JUNE 2023

CHAHAK BINDAPUR

Premises courtesy Kriti Foundation, Supported by GEP & Makhija Family

In just a year, this centre reached a total strength of 286 students (100 ECE + 126 remedial & tuition) and 60 children enrolled in our computer training course this year and have tremendously benefited from the classes.

At both the centres remedial classes with special focus on spoken English is given to all those students who are lacking behind in their studies or are dropouts or have never gone to school. These children are prepared as per their age /grade so that they can be admitted into government schools.

Thanks to the Partners Group, we have smart classes in both the centers which help our teachers take the education to a next level and also we are able to provide online coaching for students.

Greater emphasis was given on health and nutrition. Daily nutrition was provided to all the ECE students.

Parent workshops and meetings were held regularly to improve the overall growth of the child. This also helped us gain popularity in the community.

Donations to Children's Hope are eligible for deduction under section 80G of the Income Tax Act 1961

MCD PREPRIMARY SHCOOLS

STARTED TEACHING PREPRIMARY AT THREE MCD SCHOOLS

Supported by Integreon

With the strong ECE base and experience, CH has signed up with TEA (The Education Alliance) and have started teaching the pre-primary section of three MCD schools.

The operations have started in the two schools MCD Vinod Nagar and MCD Mandawla. Very soon we will start classes at MCD Malva Nagar

TEACHER TRAININGS & WORKSHOPS

In our journey with Children's Hope India, under 30/30 Educational Initiative, various online and onsite teacher trainings were provided to all the Children's Hope teachers.

Key Education Foundation provides a planned, uniform and wholesome curriculum which has been implemented for ECE at all our centres. They provided our teachers with hands on training on usage and implementation of the curriculum. Various online sessions & seminars followed to revisit the trainings.

Furthermore, for 1st to 8th classes, 321 Foundation provided teachers training for the remedial learning and non-formal classes. Their curriculum makes it easy for students to understand math concepts and learn English language.

Two Creative Self-care workshops were organized for the teachers which made them understand that images have so much more power than thoughts. It trained and toned up their imagination and provided relaxation and fun.

These trainings and workshops were also given to the teachers of Rajkumar Kamal Narayan Trust, Okhla, an NGO providing after school guidance and coaching to the underprivileged children of the community.

PARENT WORKSHOPS

Various parent meetings and workshops were held to understand the needs of a child. These workshops helped in building up parent child relation and improved overall child growth.

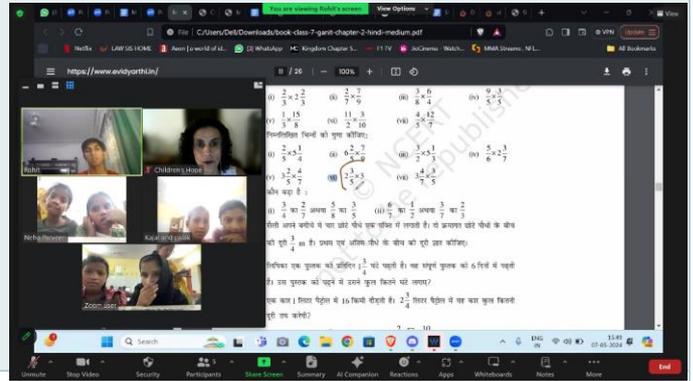

ONLINE COACHING

CH started with online coaching sessions to help students understand topics that they find challenge.

This also converted into a volunteer program where the young students have taken sessions on topics like Math, Science, English speaking etc.

CH now is exploring to start these classes on regular basis with professionals.

SUMMER CAMP

Project implemented Auronima Active, Kolkata

As every year, CH organized a workshop with children with special needs. This summer camp for differently abled children help them achieve various goals - inclusion, mainstreaming, socialization and behavior modification. Parents also eagerly participated.

EXPLORATION OUTSIDE OF THE CLASSROOM

Students of all age groups as well as teachers were taken exposed to various places and unique activities

MEDICAL CAMPS

At both the CHAHAK centers medical camps were organized for students & the community to provide best holistic care.

One Ayurveda camp at Vikipuri was organized where free medicines were also distributed

SCHOLARSHIPS

After thorough case studies, eleven girls were provided full scholarships

RELIEF PROGRAMS

Books were provided to kids whose parents could not afford
Special meals were distributed to the children

CELEBRATIONS

All functions and special days were celebrated with a lot of enthusiasm at all our centres.

WINTER CLOTHES DISTRIBUTION

In our annual winter distribution program, this year 380 children were given track paints, sweaters, pair of socks and shoes. A few needy families were also given blankets

We thank our sponsors & supporters for their benevolent donations and the entire Children's Hope team for its hard work.

*With warm regards and best wishes for the year
Richa Kulshreshtha
Executive Director-CH*
